ORDER DENYING JOINT MOTION FOR RULE 16 SCHEDULING CONFERENCE

This matter is before me on the parties' Joint Request for Rule 16 Scheduling Conference. (Doc. 31.) The parties have requested a new scheduling conference "in order to establish and set new pre-trial deadlines" in this case. (*Id.*) The parties state no grounds for their request.

As currently framed, the parties' motion must be denied. A Rule 16 scheduling conference has already been held in this case (*see* Doc. 14), after which time a scheduling order was issued setting pretrial deadlines on a 210-day case management track (Doc. 15). The

deadlines set by that Order may only be modified upon a showing of good cause and with the Court's approval. FED. R. CIV. P. 16(b)(4); D.N.M.LR-Civ. 16.1. Given that the existing pretrial deadlines remain in effect, and given that the parties have failed to state any cause for modifying the existing schedule, a second Rule 16 conference is inappropriate at this time.¹ The parties' request is denied.

IT IS SO ORDERED.

William P. Lynch
United States Magistrate Judge

¹ I also observe that the parties failed to submit a proposed order for this motion to my chambers. See D.N.M.LR-Civ. 7.2.

A true copy of this order was served on the date of entry--via mail or electronic means--to counsel of record and any pro se party as they are shown on the Court's docket.
